

Aldwyn Primary School - PSHE Overview

Nursery

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<p>Personal Social Development 3- and 4-year-olds</p> <ul style="list-style-type: none"> • Select and use activities and resources, with help when needed. This helps them to achieve a goal they have chosen, or one which is suggested to them. • Develop their sense of responsibility and membership of a community. • Become more outgoing with unfamiliar people, in the safe context of their setting. • Show more confidence in new social situations. Play with one or more other children, extending and elaborating play ideas. • Find solutions to conflicts and rivalries. For example, accepting that not everyone can be Spider-Man in the game, and suggesting other ideas. • Increasingly follow rules, understanding why they are important. • Remember rules without needing an adult to remind them. • Develop appropriate ways of being assertive. • Talk with others to solve conflicts. • Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. • Be increasingly independent in meeting their own care needs, e.g., brushing teeth, using the toilet, washing, and drying their hands thoroughly. • Make healthy choices about food, drink, activity and toothbrushing. • Understand gradually how others might be feeling. 					

Reception

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<p>PSHE in Reception is delivered through the Think Equals Early Years Programme which delivers learning through a narrative. Think Equal believes that the use of a narrative can bring about positive change in children's lives beginning at an individual level and leading to social cohesion. The approach allows for learning through modelling role-play, compassion, creativity, perspective consideration, empathetic skills, critical thinking and conflict resolution.</p> <p>Personal Social Development ELG</p> <p>Self-Regulation</p> <ul style="list-style-type: none"> • Show an understanding of their own feelings and those of others and begin to regulate their behaviour accordingly. • Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. • Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or 					

Aldwyn Primary School - PSHE Overview

actions.

Managing Self

- Be confident to try new activities and show independence, resilience, and perseverance.
- in the face of challenge.
- Explain the reasons for rules, know right from wrong and try to behave accordingly.
- Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

Building Relationships

- Work and play cooperatively and take turns with others.
- Form positive attachments to adults and friendships with peers.
- Show sensitivity to their own and to others' needs.

JIGSAW PSHE is used through Year One to Year Six for the delivery of PSHE at Aldwyn.

Year 1

Autumn 1 Being Me in My World	Autumn 2 Celebrating Difference	Spring 1 Dreams and Goals	Spring 2 Healthy Me	Summer 1 Relationships	Summer 2 Changing Me
<p>The children discuss rights and responsibilities, and choices and consequences. The children learn about being special and how to make everyone feel safe in their class as well as recognising their own safety.</p> <ul style="list-style-type: none"> • Understand their own rights and responsibilities with their classroom. • Understand that their choices have consequences. • Understand that their views are important. • Understand the rights and responsibilities of a member of a class 	<p>The children explore the similarities and differences between people and how these make us unique and special. The children learn what bullying is and what it isn't. They talk about how it might feel to be bullied and when and who to ask for help. The children discuss friendship, how to make friends and that it is OK to have differences/be different from their friends. The children also discuss being nice to and looking after other children who might be being bullied. Know what bullying means.</p>	<p>The children talk about setting simple goals, how to achieve them as well as overcoming difficulties when they try. The children learn to recognise the feelings associated with facing obstacles to achieving their goals as well as when they achieve them. They discuss partner working and how to do this well.</p> <ul style="list-style-type: none"> • Know how to set simple goals. • Know how to achieve a goal. • Know how to identify obstacles which make achieving their goals 	<p>The children learn about healthy and less healthy choices and how these choices make them feel. They explore about hygiene, keeping themselves clean and that germs can make you unwell. The children learn about road safety, and about people who can help them to stay safe.</p> <ul style="list-style-type: none"> • Know the difference between being healthy and unhealthy. • Know some ways to keep healthy. • Know how to make healthy lifestyle choices. • Know that all household products, including 	<p>Children's breadth of relationships is widened to include people they may find in their school community. They consider their own significant relationships (family, friends and school community) and why these are special and important. As part of the lessons on healthy and safe relationships, children learn that touch can be used in kind and unkind ways. This supports later work on safeguarding. Pupils also consider their own personal attributes as a friend, family member and as part of a community, and are</p>	<p>Children are introduced to life cycles, e.g. that of a frog and identify the different stages. They compare this with a human life cycle and look at simple changes from baby to adult, e.g. getting taller, learning to walk, etc. They discuss how they have changed so far and that people grow up at different rates. As part of a school's safeguarding duty, pupils are taught the correct words for private parts of the body (those kept private by underwear: vagina, anus, penis, testicles, vulva). They are also taught that nobody has the right to hurt these</p>

Aldwyn Primary School - PSHE Overview

<ul style="list-style-type: none"> • Understand that they are safe in their class. • Identifying helpful behaviours to make the class a safe place • Understand that they have choices. • Understanding that they are special. • Identify what it's like to feel proud of an achievement. • Recognise feelings associated with positive and negative consequences 	<ul style="list-style-type: none"> • Know who to tell if they or someone else is being bullied or is feeling unhappy. • Know that people are unique and that it is OK to be different • Know skills to make friendships. • Know that people have differences and similarities. • Identify what is bullying and what isn't • Understand how being bullied might feel. • Recognise ways in which they are the same as their friends and ways they are different • Know ways to help a person who is being bullied. • Identify emotions associated with making a new friend. • Verbalise some of the attributes that make them unique and special 	<p>difficult and work out how to overcome them</p> <ul style="list-style-type: none"> • Know when a goal has been achieved. • Know how to work well with a partner. • Know that tackling a challenge can stretch their learning. • Recognise things that they do well • Explain how they learn best. • Recognise their own feelings when faced with a challenge/obstacle. • Recognise how they feel when they overcome a challenge/obstacle. • Celebrate an achievement with a friend. • Can store feelings of success so that they can be used in the future 	<p>medicines, can be harmful if not used properly.</p> <ul style="list-style-type: none"> • Know that medicines can help them if they feel poorly. • Know how to keep safe when crossing the road. • Know how to keep themselves clean and healthy. • Know that germs cause disease/illness. • Know about people who can keep them safe. • Keep themselves safe. • Recognise how being healthy helps them to feel happy. • Recognise ways to look after themselves if they feel poorly. • Recognise when they feel frightened and know how to ask for help. • Feel good about themselves when they make healthy choices. • Realise that they are special. 	<p>encouraged to celebrate these. Know that everyone's family is different.</p> <ul style="list-style-type: none"> • Know that families are founded on belonging, love and care. • Know that physical contact can be used as a greeting. • Know how to make a friend. • Know who to ask for help in the school community. • Know that there are lots of different types of families. • Know the characteristics of healthy and safe friends. • Know about the different people in the school community and how they help. • Can express how it feels to be part of a family and to care for family members • Can say what being a good friend means. • Can identify forms of physical contact they prefer. • Can say no when they receive a touch they don't like. • Can show skills of friendship. 	<p>parts of the body. Change is discussed as a natural and normal part of getting older which can bring about happy and sad feelings. Children practise a range of skills to help manage their feelings and learn how to access help if they are worried about change, or if someone is hurting them. Know the names of male and female private body parts.</p> <ul style="list-style-type: none"> • Know that there are correct names for private body parts and nicknames, and when to use them. • Know which parts of the body are private and that they belong to that person and that nobody has the right to hurt these. • Know who to ask for help if they are worried or frightened. • Know that animals including humans have a life cycle. • Know that changes happen when we grow up. • Know that people grow up at different rates and that is normal • Know that learning brings about change
---	--	--	--	---	---

Aldwyn Primary School - PSHE Overview

				<ul style="list-style-type: none"> • Can praise themselves and others. • Can recognise some of their personal qualities. • Can say why they appreciate a special relationship 	<p>Understand and accept that change is a natural part of getting older</p> <ul style="list-style-type: none"> • Can suggest ways to manage change, e.g. moving to a new class • Can identify some things that have changed and some things that have stayed the same since being a baby (including the body) • Can express why they enjoy learning

Year 2					
Autumn 1 Being Me in My World	Autumn 2 Celebrating Difference	Spring 1 Dreams and Goals	Spring 2 Healthy Me	Summer 1 Relationships	Summer 2 Changing Me
<p>The children discuss their hopes and fears for the year ahead – they talk about feeling worried and recognising when they should ask for help and who to ask. They learn about rights and responsibilities; how to work collaboratively, how to listen to each other and how to make their classroom a safe and fair place. The children learn about choices and the consequences of making different choices, set up</p>	<p>The children learn about recognise gender stereotypes, that boys and girls can have differences and similarities and that is OK. They explore how children can be bullied because they are different, that this shouldn't happen and how they can support a classmate who is being bullied. The children share feelings associated with bullying and how and where to get help. They explore similarities and differences</p>	<p>The children explore setting realistic goals and how they can achieve them. They discuss perseverance when they find things difficult as well as recognising their strengths as a learner. The children consider group work and reflect on with whom they work well and with whom they don't. They also reflect on sharing success with other people.</p> <ul style="list-style-type: none"> • Know how to choose a realistic goal and think about how to achieve it. 	<p>The children learn about healthy food; they talk about having a healthy relationship with food and making healthy choices. The children consider what makes them feel relaxed and stressed. They learn about medicines, how they work and how to use them safely. The children make healthy snacks and discuss why they are good for their bodies.</p> <ul style="list-style-type: none"> • Know what their body needs to stay healthy. 	<p>Learning about family relationships widens to include roles and responsibilities in a family and the importance of co-operation, appreciation and trust. Friendships are also revisited with a focus on falling out and mending friendships. This becomes more formalised and the children learn and practise two different strategies for conflict resolution (Solve it together and Mending Friendships). Children</p>	<p>Children compare different life cycles in nature, including that of humans. They reflect on the changes that occur (not including puberty) between baby, toddler, child, teenager, adult and old age. Within this, children also discuss how independence, freedoms and responsibility can increase with age. As part of a school's safeguarding duty, pupils are re-taught the correct words for private parts of</p>

Aldwyn Primary School - PSHE Overview

<p>their Jigsaw Journals and make the Jigsaw Charter.</p> <ul style="list-style-type: none"> • Understand the rights and responsibilities of class members. • Know about rewards and consequences and that these stem from choices • Know that it is important to listen to other people. • Understand that their own views are valuable • Know that positive choices impact positively on self-learning and the learning of others • Identifying hopes and fears for the year ahead • Know how to make their class a safe and fair place. • Show good listening skills. • Be able to work co-operatively. • Recognise own feelings and know when and where to get help. • Recognise the feeling of being worried. 	<p>and that it is OK for friends to have differences without it affecting their friendship.</p> <ul style="list-style-type: none"> • Know the difference between a one-off incident and bullying. • Know that sometimes people get bullied because of difference. • Know that friends can be different and still be friends. • Know there are stereotypes about boys and girls. • Know where to get help if being bullied. • Know that it is OK not to conform to gender stereotypes. • Know it is good to be yourself. • Know the difference between right and wrong and the role that choice has to play in this • Explain how being bullied can make someone feel. • Know how to stand up for themselves when they need to • Understand that everyone's differences make them special and unique. • Understand that boys and girls can be similar 	<ul style="list-style-type: none"> • Know that it is important to persevere. • Know how to recognise what working together well looks like • Know what good group-working looks like • Know how to share success with other people. • Recognise how working with others can be helpful. • Be able to work effectively with a partner. • Be able to choose a partner with whom they work well • Be able to work as part of a group. • Be able to describe their own achievements and the feelings linked to this • Recognise their own strengths as a learner. • Recognise how it feels to be part of a group that succeeds and store this feeling 	<ul style="list-style-type: none"> • Know what relaxed means. • Know why healthy snacks are good for their bodies. • Know which foods given their bodies energy. • Know that it is important to use medicines safely. • Know what makes them feel relaxed/stressed. • Know how medicines work in their bodies. • Know how to make some healthy snacks. • Feel positive about caring for their bodies and keeping it healthy. • Have a healthy relationship with food. • Desire to make healthy lifestyle choices. • Identify when a feeling is weak and when a feeling is strong. • Express how it feels to share healthy food with their friends 	<p>consider the importance of trust in relationships and what this feels like. They also learn about two types of secret, and why 'worry secrets' should always be shared with a trusted adult. Children reflect upon different types of physical contact in relationships, which are acceptable and which ones are not. They practise strategies for being assertive when someone is hurting them or being unkind. The children also learn about people who can help them if they are worried or scared.</p> <ul style="list-style-type: none"> • Know that there are lots of forms of physical contact within a family. • Know how to stay stop if someone is hurting them. • Know there are good secrets and worry secrets and why it is important to share worry secrets. • Know what trust is. • Know that everyone's family is different. • Know that family's function well when there is trust, respect, care, love and co-operation. 	<p>the body (those kept private by underwear: vagina, anus, penis, testicle, vulva). They are also reminded that nobody has the right to hurt these parts of the body, including a lesson on inappropriate touch and assertiveness. Children practise a range of strategies for managing feelings and emotions. They are also taught where they can get help if worried or frightened. Change is taught as a natural and normal part of growing up and the range of emotions that can occur with change are explored and discussed.</p> <ul style="list-style-type: none"> • Know the physical differences between male and female bodies. • Know that private body parts are special and that no one has the right to hurt these • Know who to ask for help if they are worried or frightened • Know there are different types of touch and that some are acceptable and some are unacceptable • Know the correct names for private body parts.

Year 3

Autumn 1 Being Me in My World	Autumn 2 Celebrating Difference	Spring 1 Dreams and Goals	Spring 2 Healthy Me	Summer 1 Relationships	Summer 2 Changing Me
<p>The children learn to recognise their self-worth and identify positive things about themselves and their achievements. They discuss new challenges and how to face them with appropriate positivity. The children learn about the need for rules and how these relate to rights and responsibilities. They explore choices and consequences, working collaboratively and seeing things from other people's points of view. The children learn about different feelings and the ability to recognise these feelings in themselves and others. They set up their Jigsaw Journals and establish the Jigsaw Charter</p>	<p>The children learn about families, that they are all different and that sometimes they fall out with each other. The children practise methods to calm themselves down and discuss the 'Solve it together' technique. The children revisit the topic of bullying and discuss being a witness (bystander); they discover how a witness has choices and how these choices can affect the bullying that is taking place. The children also talk about using problem-solving techniques in bullying situations. They discuss name-calling and practise choosing not to use hurtful words. They also learn about giving and receiving</p>	<p>The children look at examples of people who have overcome challenges to achieve success and discuss what they can learn from these stories. The children identify their own dreams and ambitions and discuss how it will feel when they achieve them. They discuss facing learning challenges and identify their own strategies for overcoming these. The children consider obstacles that might stop them from achieving their goals and how to overcome these. They reflect on their progress and successes and identify what they could do better next time.</p>	<p>The children learn about the importance of exercise and how it helps your body to stay healthy. They also learn about their heart and lungs, what they do and how they are very important. The children discover facts about calories, fat and sugar; they discuss what each of these are and how the amount they consume can affect their health. The children learn about different types of drugs, the ones you take to make you better, as well as other drugs. The children consider things, places and people that are dangerous and link this to strategies for keeping themselves safe. Know how exercise affects their bodies.</p>	<p>Children revisit family relationships and identify the different expectations and roles that exist within the family home. They identify why stereotypes can be unfair and may not be accurate, e.g. Mum is the carer, Dad goes to work. They also look at careers and why stereotypes can be unfair in this context. They learn that families should be founded on love, respect, appreciation, trust and co-operation. Children are reminded about the Solve it together technique for negotiating conflict situations and the concept of a win-win outcome is introduced.</p> <p>Online relationships through gaming and apps are</p>	<p>This unit begins learning about babies and what they need to grow and develop including parenting. Children are taught that it is usually the female that carries the baby in nature. This leads onto lessons where puberty is introduced. Children first look at the outside body changes in males and females. They learn that puberty is a natural part of growing up and that it is a process for getting their bodies ready to make a baby when grown-up. Inside body changes are also taught. Children learn that females have eggs (ova) in their ovaries, and these are released monthly. If unfertilised by a male's sperm, it passes out of the</p>

Aldwyn Primary School - PSHE Overview

<ul style="list-style-type: none"> • Know that the school has a shared set of values • Know why rules are needed and how these relate to choices and consequences • Know that actions can affect others' feelings. • Know that others may hold different views. • Understand that they are important. • Know what a personal goal is. • Understanding what a challenge is • Make other people feel valued. • Develop compassion and empathy for others. • Be able to work collaboratively. • Recognise self-worth. • Identify personal strengths. • Be able to set a personal goal. • Recognise feelings of happiness, sadness, worry and fear in themselves and others 	<p>compliments and the feelings associated with this. Know what it means to be a witness to bullying and that a witness can make the situation worse or better by what they do.</p> <ul style="list-style-type: none"> • Know that conflict is a normal part of relationships. • Know that some words are used in hurtful ways and that this can have consequences • Know why families are important. • Know that everybody's family is different. • Know that sometimes family members don't get along and some reasons for this • Use the 'Solve it together' technique to calm and resolve conflicts with friends and family • Be able to 'problem-solve' a bullying situation accessing appropriate support if necessary • Be able to show appreciation for their families, parents and carers • Empathise with people who are bullied. 	<ul style="list-style-type: none"> • Know that they are responsible for their own learning. • Know what an obstacle is and how they can hinder achievement. • Know how to take steps to overcome obstacles. • Know what dreams and ambitions are important to them. • Know about specific people who have overcome difficult challenges to achieve success. • Know how they can best overcome learning challenges. • Know what their own strengths are as a learner. • Know how to evaluate their own learning progress and identify how it can be better next time. • Can break down a goal into small steps. • Can manage feelings of frustration linked to facing obstacles. • Imagine how it will feel when they achieve their dream/ambition. 	<ul style="list-style-type: none"> • Know that the amount of calories, fat and sugar that they put into their bodies will affect their health • Know that there are different types of drugs. • Know that there are things, places and people that can be dangerous. • Know when something feels safe or unsafe. • Know why their hearts and lungs are such important organs. • Know a range of strategies to keep themselves safe. • Know that their bodies are complex and need taking care of • Respect their own bodies and appreciate what they do. • Can take responsibility for keeping themselves and others safe. • Identify how they feel about drugs. • Can express how being anxious or scared feels. • Able to set themselves a fitness challenge. • Recognise what it feels like to make a healthy choice. 	<p>explored and children are introduced to some rules for staying safe online. Children also learn that they are part of a global community, and they are connected to others they don't know in many ways, e.g., through global trade. They investigate the wants and needs of other children who are less fortunate and compare these with their own. Children's universal rights are also revisited.</p> <ul style="list-style-type: none"> • Know that different family members carry out different roles or have different responsibilities within the family. • Know some of the skills of friendship, e.g. taking turns, being a good listener • Know some strategies for keeping themselves safe online. • Know that they and all children have rights (UNCRC) • Know that gender stereotypes can be unfair, e.g. Mum is always the carer, Dad always goes to work etc • Know how some of the actions and work of people around the 	<p>body as a period. Sexual intercourse and the birth of the baby are not taught in this year group. Children discuss how they feel about puberty and growing up and there are opportunities for them to seek reassurance if anything is worrying them.</p> <ul style="list-style-type: none"> • Know that the male and female body needs to change at puberty so their bodies can make babies when they are adults. • Know some of the outside body changes that happen during puberty. • Know some of the changes on the inside that happen during puberty • Know that in animals and humans lots of changes happen between conception and growing up • Know that in nature it is usually the female that carries the baby • Know that in humans a mother carries the baby in her uterus (womb) and this is where it develops • Know that babies need love and care from their parents/carers.
---	--	---	---	---	---

Aldwyn Primary School - PSHE Overview

	<ul style="list-style-type: none"> • Employ skills to support someone who is bullied. • Be able to recognise, accept and give compliments. • Recognise feelings associated with receiving a compliment 	<ul style="list-style-type: none"> • Recognise other people's achievements in overcoming difficulties. • Recognise how other people can help them to achieve their goals. • Can share their success with others. • Can store feelings of success (in their internal treasure chest) to be used at another time 		<p>world help and influence my life</p> <ul style="list-style-type: none"> • Know the lives of children around the world can be different from their own • Can identify the responsibilities they have within their family. • Know how to access help if they are concerned about anything on social media or the internet • Can empathise with people from other countries who may not have a fair job or are less fortunate • Understand that they are connected to the global community in many different ways • Can use Solve it together in a conflict scenario and find a win-win outcome • Can identify similarities in children's rights around the world. • Can identify their own wants and needs and how these may be similar or different from other children in school and the global community 	<ul style="list-style-type: none"> • Know some of the changes that happen between being a baby and a child. • Can express how they feel about puberty. • Can say who they can talk to about puberty if they have any worries • Can suggest ways to help them manage feelings during changes they are more anxious about • Can identify stereotypical family roles and challenge these ideas, e.g. it may not always be Mum who does the laundry • Can express how they feel about babies. • Can describe the emotions that a new baby can bring to a family • Can identify changes they are looking forward to in the next year
--	---	--	--	--	---

Aldwyn Primary School - PSHE Overview

Year 4

Autumn 1 Being Me in My World	Autumn 2 Celebrating Difference	Spring 1 Dreams and Goals	Spring 2 Healthy Me	Summer 1 Relationships	Summer 2 Changing Me
<p>The children explore being part of a team. They talk about attitudes and actions and their effects on the whole class. The children learn about their school and its community, who all the different people are and what their roles are. They discuss democracy and link this to their own School Council, what its purpose is and how it works. The children learn about group work, the different roles people can have, how to make positive contributions, how to make collective decisions and how to deal with conflict. They also learn about considering other people's feelings. They refresh their Jigsaw Charter and set up their Jigsaw Journals.</p> <ul style="list-style-type: none"> Know their place in the school community. Know what democracy is (applied to pupil voice in school) Know how groups work together to reach a consensus. Know that having a voice and democracy 	<p>The children consider the concept of judging people by their appearance, of first impressions and of what influences their thinking on what is normal. They explore more about bullying, including online bullying and what to do if they suspect or know that it is taking place. They discuss the pressures of being a witness and why some people choose to join in or choose to not tell anyone about what they have seen. The children share their own uniqueness and what is special about themselves. They talk about first impressions and when their own first impressions of someone have changed.</p> <ul style="list-style-type: none"> Know that some forms of bullying are harder to identify e.g. tactical ignoring, cyber-bullying Know the reasons why witnesses sometimes join in with bullying and don't tell anyone Know that sometimes people make assumptions about a person because of the way they look or act 	<p>The children consider their hopes and dreams. They discuss how it feels when dreams don't come true and how to cope with/overcome feelings of disappointment. The children discuss making new plans and setting new goals even if they have been disappointed. The class explore group work and overcoming challenges together. They reflect on their successes and the feelings associated with overcoming a challenge.</p> <ul style="list-style-type: none"> Know how to make a new plan and set new goals even if they have been disappointed. Know how to work as part of a successful group. Know how to share in the success of a group. Know what their own hopes and dreams are. Know that hopes and dreams don't always come true. Know that reflecting on positive and happy experiences can help them to counteract disappointment 	<p>The children look at the friendship groups that they are part of, how they are formed, how they have leaders and followers and what role they play. The children reflect on their friendships, how different people make them feel and which friends they value the most. The children also learn about smoking and its effects on health; they do the same with alcohol and then look at the reasons why people might drink or smoke. Finally, they learn about peer pressure and how to deal with it successfully.</p> <ul style="list-style-type: none"> Know that there are leaders and followers in groups. Know the facts about smoking and its effects on health. Know the facts about alcohol and its effects on health, particularly the liver. Know ways to resist when people are putting pressure on them 	<p>Learning in this year group starts focussing on the emotional aspects of relationships and friendships. Children explore jealousy and loss/bereavement. They identify the emotions associated with these relationship changes, the possible reasons for the change and strategies for coping with the change. The children learn that change is a natural in relationships and they will experience (or may have already experienced) some of these changes. Children revisit skills of negotiation particularly to help manage a change in a relationship. They also learn that sometimes it is better if relationships end, especially if they are causing negative feelings or they are unsafe. Children are taught that relationship endings can be amicable.</p> <ul style="list-style-type: none"> Know some reasons why people feel jealousy. Know that loss is a normal part of relationships. 	<p>Bodily changes at puberty are revisited with some additional vocabulary, particularly around menstruation. Sanitary health is taught, including introducing pupils to different sanitary and personal hygiene products. Conception and sexual intercourse are introduced in simple terms so the children understand that a baby is formed by the joining of an ovum and sperm. They also learn that the ovum and sperm carry genetic information that carry personal characteristics. The Puzzle ends by looking at the feelings associated with change and how to manage these. Children are introduced to Jigsaw's Circle of change model as a strategy for managing future changes.</p> <ul style="list-style-type: none"> Know that personal characteristics are inherited from birth parents and this is brought about by an ovum joining with a sperm

Year 5					
Autumn 1 Being Me in My World	Autumn 2 Celebrating Difference	Spring 1 Dreams and Goals	Spring 2 Healthy Me	Summer 1 Relationships	Summer 2 Changing Me
<p>The children think and plan for the year ahead, goals they could set for themselves as well as the challenges they may face. They explore their rights and responsibilities as a member of their class, school, wider community, and the country they live in. The children learn about their own behaviour and its impact on a group as well as choices, rewards, consequences and the feelings associated with each. They also learn about democracy, how it benefits the school and how they can contribute towards it. They revisit the Jigsaw Charter and set up their Jigsaw Journals.</p> <ul style="list-style-type: none"> Understand how democracy and having a voice benefits the school community 	<p>The children explore culture and cultural differences. They link this to racism, debating what it is and how to be aware of their own feelings towards people from different cultures. They revisit the topic of bullying and discuss rumour spreading and name-calling. The children learn that there are direct and indirect ways of bullying as well as ways to encourage children to not using bullying behaviours. The children consider happiness regardless of material wealth and respecting other people's cultures.</p> <ul style="list-style-type: none"> Know external forms of support in regard to bullying e.g., Childline. 	<p>The children share their dreams and goals and how they might need money to help them achieve them. They consider jobs that people they know do, they look at the fact that some jobs pay more money than others and reflect on what types of jobs they might like to do when they are older. The children look at the similarities and differences between themselves (and their dreams and goals) and someone from a different culture.</p> <ul style="list-style-type: none"> Know about a range of jobs that are carried out by people I know Know the types of job they might like to do when they are older. Know that young people from different cultures 	<p>The children investigate the risks associated with smoking and how it affects the lungs, liver, and heart. Likewise, they learn about the risks associated with alcohol misuse. They are taught a range of basic first aid and emergency procedures (including the recovery position) and learn how to contact the emergency services when needed. The children investigate how body types are portrayed in the media, social media and celebrity culture. They also learn about eating disorders and people's relationships with food and how this can be linked to negative body image pressures.</p>	<p>Children learn about the importance of self-esteem and ways this can be boosted. This is important in an online context as well as offline, as mental health can be damaged by excessive comparison with others. This leads onto a series of lessons that allow the children to investigate and reflect upon a variety of positive and negative online/social media contexts including gaming and social networking. They learn about age-limits and age-appropriateness. Within these lessons, children are taught the SMARRT internet safety rules and they apply these in different situations. Risk, pressure and influences are revisited with a focus on the physical and</p>	<p>The children revisit self-esteem, self-image and body image. They learn that we all have perceptions about ourselves and others, and these may be right or wrong. They also reflect on how social media and the media can promote unhelpful comparison and how to manage this. Puberty is revisited in further detail, explaining bodily changes in males and females. Sexual intercourse is explained in slightly more detail than in the previous year. Children are encouraged to ask questions and seek clarification about anything they don't understand. Further details about pregnancy are introduced including some facts about the development of the</p>

Aldwyn Primary School - PSHE Overview

<ul style="list-style-type: none"> • Understand how to contribute towards the democratic process. • Understand the rights and responsibilities associated with being a citizen in the wider community and their country. • Know how to face new challenges positively • Understand how to set personal goals. • Know how an individual's behaviour can affect a group and the consequences of this • Empathy for people whose lives are different from their own. • Consider their own actions and the effect they have on themselves and others. • Be able to work as part of a group, listening and contributing effectively • Be able to identify what they value most about school. • Identify hopes for the school year. • Understand why the school community benefits from a Learning Charter • Be able to help friends make positive choices. 	<ul style="list-style-type: none"> • Know that bullying can be direct and indirect. • Know what racism is and why it is unacceptable • Know what culture means. • Know that differences in culture can sometimes be a source of conflict • Know that rumour-spreading is a form of bullying online and offline • Know how their life is different from the lives of children in the developing world • Appreciate the value of happiness regardless of material wealth. • Identify their own culture and different cultures within their class community. • Identify their own attitudes about people from different faith and cultural backgrounds • Develop respect for cultures different from their own. • Identify a range of strategies for managing their own 	<p>may have different dreams and goals</p> <ul style="list-style-type: none"> • Know that they will need money to help them to achieve some of their dreams • Know that different jobs pay more money than others. • Know that communicating with someone from a different culture means that they can learn from them and vice versa. • Know ways that they can support young people in their own culture and abroad • Verbalise what they would like their life to be like when they are grown up • Appreciate the contributions made by people in different jobs. • Reflect on the differences between their own learning goals and those of someone from a different culture • Appreciate the differences between themselves and someone from a different culture. • Understand why they are motivated to make 	<ul style="list-style-type: none"> • Know basic emergency procedures, including the recovery position. • Know the health risks of smoking. • Know how smoking tobacco affects the lungs, liver, and heart. • Know how to get help in emergency situations. • Know that the media, social media, and celebrity culture. promotes certain body types. • Know the different roles food can play in people's lives and know that people can develop eating problems/disorders related to body image pressure • Know some of the risks linked to misusing alcohol, including antisocial behaviour • Know what makes a healthy lifestyle. • Respect and value their own bodies • Can reflect on their own body image and know how important it is that this is positive • Recognise strategies for resisting pressure. 	<p>emotional aspects of identifying when something feels uncomfortable or unsafe. Children are taught about grooming and how people online can pretend to be whoever they want. Rights, responsibilities and respect are revisited with an angle on technology use. Screen time is also discussed, and children find ways to reduce their own screen time. This Puzzle aims to help children to be more discerning when viewing anything online or on social media.</p> <ul style="list-style-type: none"> • Know that there are rights and responsibilities in an online community or social network • Know that there are rights and responsibilities when playing a game online • Know that too much screen time isn't healthy. • Know how to stay safe when using technology to communicate with friends. • Know that a personality is made up of many different characteristics, qualities, and attributes. 	<p>foetus and some simple explanation about alternative ways of conception, e.g., IVF. Children learn that having a baby is a personal choice. Details of contraceptive options and methods are not taught as this is not age appropriate. Reasons why people choose to be in a romantic relationship and choose to have a baby are also explored. Children look at what becoming a teenager means for them with an increase in freedom, rights and responsibilities. They also consider the perceptions that surround teenagers and reflect whether they are always accurate, e.g. teenagers are always moody; all teenagers have a boyfriend/girlfriend, etc.</p> <ul style="list-style-type: none"> • Know how girls' and boys' bodies change during puberty and understand the importance of looking after themselves physically and emotionally • Know that sexual intercourse can lead to conception.

Year 6					
Autumn 1 Being Me in My World	Autumn 2 Celebrating Difference	Spring 1 Dreams and Goals	Spring 2 Healthy Me	Summer 1 Relationships	Summer 2 Changing Me
<p>The children discuss their year ahead, they learnt to set goals and discuss their fears and worries about the future. The children learn about the United Nations Convention on the Rights of the Child and that these are not met for all children worldwide. They discuss their choices and actions and how these can have far-reaching effects, locally and globally. The children learn about their own behaviour and how their choices can result in rewards and consequences and how they feel about this. They explore an individual's behaviour and the impact it can have on a group. They learn talk about democracy, how it benefits the school and how they can contribute towards it. They establish the Jigsaw Charter and set up their Jigsaw Journals.</p> <ul style="list-style-type: none"> • Know about children's universal rights (United 	<p>The children discuss differences and similarities and that, for some people, being different is difficult. The children learn about bullying and how people can have power over others in a group. They discover strategies for dealing with this as well as wider bullying issues. The children learn about people with disabilities and look at specific examples of disabled people who have amazing lives and achievements.</p> <ul style="list-style-type: none"> • Know that people can hold power over others individually or in a group. • Know that power can play a part in a bullying or conflict situation. • Know that there are different perceptions of 'being normal' and where these might come from 	<p>The children share their own strengths and further stretching themselves by setting challenging and realistic goals. They discuss the learning steps they will need to take as well as talking about how to stay motivated. The children reflect on various global issues and explore places where people may be suffering or living in difficult situations; whilst doing this, they reflect on their own emotions linked to this learning. The children also discover what they think their classmates like and admire about them, as well as working on giving others praise and compliments.</p> <ul style="list-style-type: none"> • Know their own learning strengths. • Know what their classmates like and admire about them. 	<p>The children discuss taking responsibility for their own physical and emotional health and the choices linked to this. They learn about different types of drugs and the effects these can have on people's bodies. The children learn about exploitation as well as gang culture and the associated risks therein. They also learn about mental health/illness and that people have different attitudes towards this. They learn to recognise the triggers for and feelings of being stressed and that there are strategies they can use when they are feeling stressed.</p> <ul style="list-style-type: none"> • Know how to take responsibility for their own health. • Know what it means to be emotionally well. • Know how to make choices that benefit 	<p>The children learn more about mental health and how to take care of their own mental well-being. They explore the grief cycle and its various stages, and discuss the different causes of grief and loss. The children learn about people who can try to control them or have power over them. They investigate online safety, learning how to judge if something is safe and helpful, as well as talking about communicating with friends and family in a positive and safe way.</p> <ul style="list-style-type: none"> • Know that it is important to take care of their own mental health. • Know ways that they can take care of their own mental health. 	<p>The children learn about puberty in boys and girls and the changes that will happen; they reflect on how they feel about these changes. The children also learn about childbirth and the stages of development of a baby, starting at conception. They explore what it means to be being physically attracted to someone and the effect this can have upon the relationship. They learn about different relationships and the importance of mutual respect and not pressuring/being pressured into doing something that they don't want to. The children also learn about self-esteem, why it is important and ways to develop it. Finally, they look at the transition to secondary school (or next class) and what they are looking forward to/are worried about and how they can prepare themselves mentally.</p>

Aldwyn Primary School - PSHE Overview

<p>Nations Convention on the Rights of the Child)</p> <ul style="list-style-type: none"> • Know about the lives of children in other parts of the world. • Know that personal choices can affect others locally and globally. • Know how to set goals for the year ahead. • Understand what fears and worries are. • Understand that their own choices result in different consequences and rewards. • Understand how democracy and having a voice benefits the school community. • Understand how to contribute towards the democratic process • Know own wants and needs. • Be able to compare their life with the lives of those less fortunate • Demonstrate empathy and understanding towards others. • Can demonstrate attributes of a positive role-model. • Can take positive action to help others. • Be able to contribute towards a group task. 	<ul style="list-style-type: none"> • Know that difference can be a source of celebration as well as conflict • Know that being different could affect someone's life. • Know why some people choose to bully others. • Know that people with disabilities can lead amazing lives. • Empathise with people who are different and be aware of my own feelings towards them • Identify feelings associated with being excluded. • Be able to recognise when someone is exerting power negatively in a relationship. • Be able to vocalise their thoughts and feelings about prejudice and discrimination and why it happens • Use a range of strategies when involved in a bullying situation or in situations where difference is a source of conflict 	<ul style="list-style-type: none"> • Know a variety of problems that the world is facing. • Know some ways in which they could work with others to make the world a better place • Know what the learning steps are they need to take to achieve their goal • Know how to set realistic and challenging goals. • Understand why it is important to stretch the boundaries of their current learning. • Be able to give praise and compliments to other people when they recognise that person's achievements • Empathise with people who are suffering or living in difficult situations • Set success criteria so that they know when they have achieved their goal • Recognise the emotions they experience when they consider people in the world who are suffering or living in difficult circumstances 	<p>their own health and well-being.</p> <ul style="list-style-type: none"> • Know about different types of drugs and their uses. • Know how these different types of drugs can affect people's bodies, especially their liver and heart • Know that stress can be triggered by a range of things • Know that being stressed can cause drug and alcohol misuse. • Know that some people can be exploited and made to do things that are against the law • Know why some people join gangs and the risk that this can involve • Are motivated to care for their own physical and emotional health. • Suggest strategies someone could use to avoid being pressured. • Can use different strategies to manage stress and pressure. • Are motivated to find ways to be happy and cope with life's situations without using drugs • Identify ways that someone who is being 	<ul style="list-style-type: none"> • Know the stages of grief and that there are different types of loss that cause people to grieve • Know that sometimes people can try to gain power or control them • Know some of the dangers of being 'online'. • Know how to use technology safely and positively to communicate with their friends and family Recognise that people can get problems with their mental health and that it is nothing to be ashamed of • Can help themselves and others when worried about a mental health problem • Recognise when they are feeling grief and have strategies to manage them • Demonstrate ways they could stand up for themselves and their friends in situations where others are trying to gain power or control 	<ul style="list-style-type: none"> • Know how girls' and boys' bodies change during puberty and understand the importance of looking after themselves physically and emotionally. • Know how a baby develops from conception through the nine months of pregnancy and how it is born • Know how being physically attracted to someone changes the nature of the relationship • Know the importance of self-esteem and what they can do to develop it • Know what they are looking forward to and what they are worried about when thinking about transition to secondary school/moving to their next class. • Recognise ways they can develop their own self-esteem • Can express how they feel about the changes that will happen to them during puberty • Understand that mutual respect is essential in a boyfriend/girlfriend relationship and that they shouldn't feel pressured
