Friends of Aldwyn review of year
4pm, The Snipe
Y6 Leavers Assembly
6pm

Monday 24th July Y6 Leavers meal Chiquitos
5pm – 6.30pm

The Year Three children had an amazing time on Friday when they travelled to Mossy Lea in Glossop to take part in a Let's Learn Moor activity day. We joined with three other schools and took part in six different activities in which we learned about the landscape and animals of the Peak District moorland. We also learned about the different jobs that people do on the moors to maintain them and keep the animals, landscape, and local communities safe.

The activities we took part in were:

- Moorland Fires and Habitat Management
- Peak Park Rangers
- Moorland Wildlife and its Management
- Moors for the Future - Bogtastic Van
- Rural Police Force
- Dog Training and Countryside Code

On Wednesday, Year 4S performed an assembly for the parent carers about significant kings and queens since 1066. We all had a great time and I think we have future thespians amongst us.

Computing in Key Stage One

This week class 2H have been using the Chromebooks to access Numbots. They have worked hard to independently log on to the Chromebooks and use a search engine to access Numbots. They have been practising number bonds and quick-fire addition and subtraction questions. Well done, 2H!

Year 1 have been working really hard learning how to log into their Google account. To do this they need to be able to enter an email address and a password. They then completed a geography project all about African animals. To do this they had to copy and paste each animal into a Google Slide.

Many of our Year Six pupils have taken part in their residential this week at Waddow Hall in Clitheroe.

We will share more news and photographs of their time away with you next week.

Our Nursery children have been enjoying their current theme of 'Under the Sea' to support their learning.

They have used the story of Hooray for Fish in class and have joined in many tasks following the story.

They have also been learning new vocabulary relating to measures. This week they have been comparing objects by deciding if something is 'heavier than' or 'lighter than'. Using different things from around the nursery environment they were able to compare them to an apple and sort them into a 'heavier than' group and a 'lighter than' group.

Year One have been studying plants in Science and have been growing and looking after plants in the school allotment. The children have planted tomato and chilli plants. They did a very good job of looking after the plants in the recent hot spell.

Can you help?

Do you have any pieces of carpet or any mats?

We would like to re-lay the paths in our allotment area. If you have any carpet off-cuts or mats, please can you let us know? Also, we would be very grateful if you also have any donations of woodchip that we can use to line the paths.

Please speak to Mrs Parks in Year 1 and let us know.

Friends of Aldwyn will be meeting at 4pm on Wednesday 19th July in the Snipe Pub. This will be a review and celebration of the work of the group for this year and will also be a time to plan for the next school year. New faces and ideas are always welcome!

In Science, this week, Year 4 have been learning about different types of teeth, how to look after them and what happens to our teeth when we don't. We planned an investigation to find out how eggshells react to different liquids as tooth enamel and an eggshell are made from similar materials and they both have similar functions. We covered part of the eggshell with toothpaste and placed them in a cup of tea, cola, vinegar, milk and water. Each day, we have observed what has happened to the eggshells. Our investigation will finish on Monday.

This week the Year 5's have been doing Junior Play Leader training with Mrs Hind. This is a great opportunity for our soon to be Year 6's, learning valuable skills and how to be great role models for the younger children. As Junior Play Leaders the children will be given the chance to go onto the KS1 and reception playground to lead games for the younger children. This is super rewarding for the older children building them into Young Leaders, and the young children always have someone to play with. Well done to both classes who have engaged in the training really well.

To be our best at

We will:

- Care for people and property
- Value others at all times
- Listen, think and follow instructions
- Be helpful, kind and polite
- Enjoy and achieve in all our work

Each week teachers choose a star of the week based on the Aldwyn Values.

The winners of this week's awards are:

Georgia
Luca
Weisum
Polly

Willow
Winson
Haroon
Elsie

Santi
Elizabeth
Oliver
Harrison

Bella
Jamie
Tillie Rae
Noel

Adam
George
Madina
Joseph

Lucy
Thomas
Amaya
Emily

The Birthday Message

We wish you many happy returns of the day.
We hope you will be healthy and strong all the way
Strong to do right, slow to do wrong,
And thoughtful of others all day long.

This week we celebrate the birthdays of:

Grady
Harry
Madiline
Reuben

Georgia
Olivia
Jannat

Harry
Faith
Mingchak

Book Corner

Lisa, a librarian at Droylsden Library came into school this week to speak to the children about this year's Summer Reading Challenge – Ready, Steady, Read! The challenge has already begun, and children have until 16th September to complete the challenge. To complete the challenge, they will need to read 6 books over the summer holidays. On completion, they will receive a certificate and a medal. On top of this, there will be a prize for the class which has the most children completing the challenge.

To sign up, visit Droylsden Library.

National Book Tokens are running a competition to win £1000 for a school library. To nominate Aldwyn, please follow the link below:
