Friday 1st December 2023

Throughout this week, both Year 6 classes have participated in Bikeability. Everyone had an extraordinary time. Each child learned about the safety of riding a bike. Then we did an 'M' check, which is where you check your bike following the shape of an 'M'. After this, we learned about four key things you need to know about riding a bike: observation, communication, priority, and position.

Erin

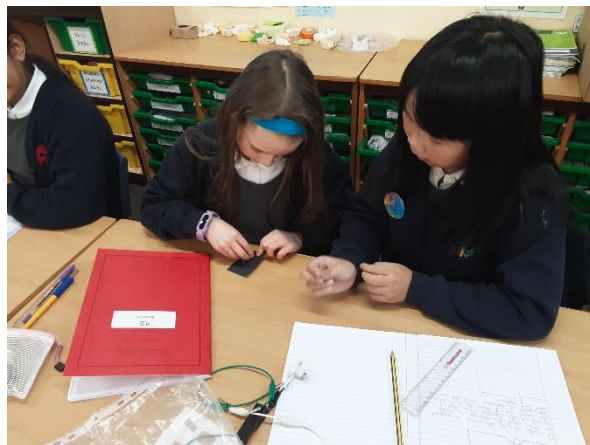

Bikeability was practical and useful. We learned all about communication skills. Communication is important when letting fellow drivers know which way you are going. We went onto the road and practiced turns, priority on the road and observation skills. Year 6 are very grateful.

Sasha

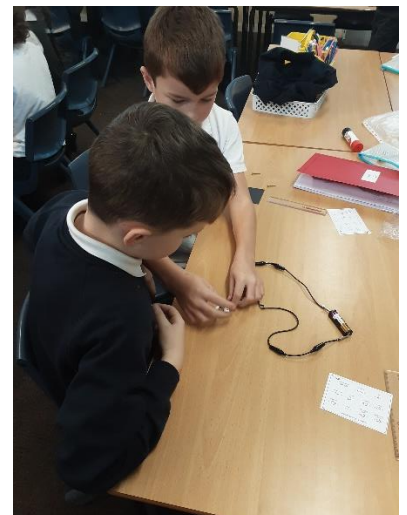

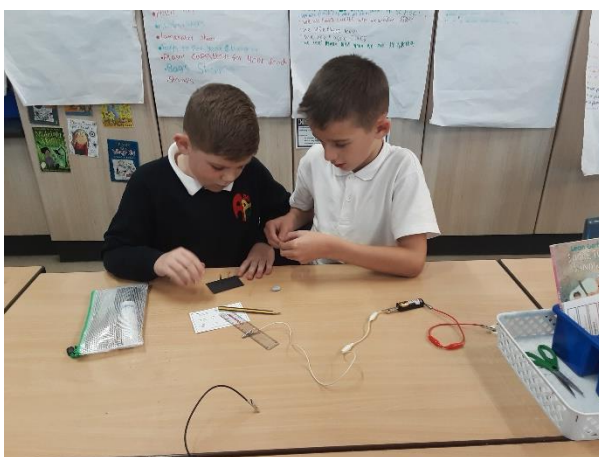

Everyone who took part thought it was fantastic. We checked our wheels, tyres, brakes and handlebars and our seat. We learned how to ride safely on the road around cars. Everyone who completed the course will get two badges and two certificates.

Amelia

This week, in Science, Year 4 have been investigating if we could make a bulb light up using a battery, wire, and a bulb.

Using our findings from our investigation, we explored whether objects were conductors or insulators of electricity. If the objects were conductors of electricity the bulb would light up. We found out that objects made from metal were good conductors of electricity.

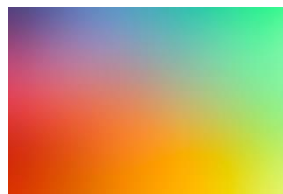

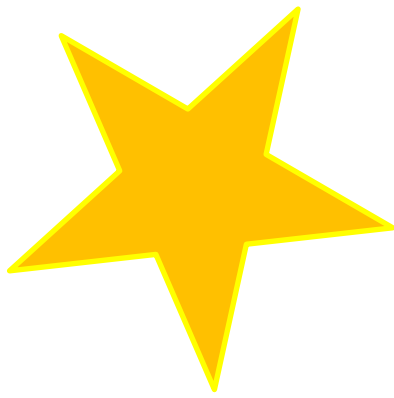

Monday 27th November is recognised as Lancashire Day. Proud Lancastrians around the world celebrate all things that make Lancashire great on the day. Mr Beaty and the Y6 children were invited to Ryecroft Hall to take part in the flag raising ceremony and to meet with the Mayor of Tameside Tafheen Sherif, Our local MP, Andrew Gwynne and the local councillors for the Audenshaw area: Councillor Charlotte Martin, Councillor Nick Axford and Councillor Teresa Smith.

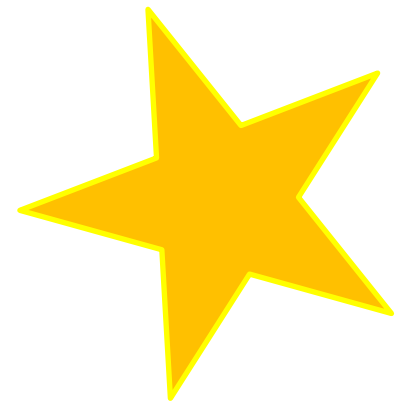

At Aldwyn we take part in the REAL project with our nursery children and their families. The REAL project is an early literacy project that aims to raise attainment through day-to-day activities across the four key strands of literacy: environmental print, books, oral language, and mark making.

Last Wednesday we went on a colour walk around the local area. Many of our families were able to join with us to take part. We will use our learning about colours to support our new story Brown Bear, Brown Bear.

To be our best at

We will:

- Care for people and property
- Value others at all times
- Listen, think and follow instructions
- Be helpful, kind and polite
- Enjoy and achieve in all our work

Each week teachers choose a star of the week based on the Aldwyn Values.
