Break-up for half term

The children and staff have watched with excitement and anticipation this week as ESP installed our new outdoor play equipment which has been funded in partnership with Friends of Aldwyn through fundraising activities that the whole school have contributed greatly to. Thank you for your support of the project, it looks great, and the children cannot wait to be able to go onto the equipment. We must wait until an independent risk assessment and check has been carried out before the equipment can be used by the children. The equipment is for use during the school day, and we thank you in advance for your support in ensuring that it is not used before and after school.

Year 3 have been exploring pneumatics in design and technology.

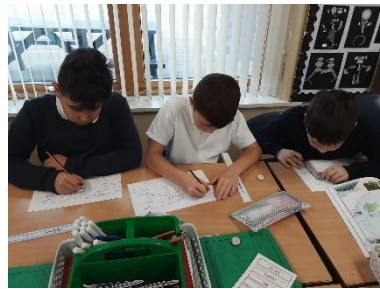

They attached straws to balloons and made a seal using tape. They then inflated their balloons to see if they could make objects move that were resting on the balloon as it inflated. They used objects such as plastic animals, books and boxes.

They were amazed at the amount of weight that one inflated balloon could move.

This term, Year 4 are learning about South America and the Amazon Rainforest. This week, we used our atlases to locate and label on a world map the seven continents, oceans, Equator, Tropic of Capricorn, and Tropic of Cancer. We then, located and labelled the countries that make up South America.

Mr. Alan Millea

The school community were saddened to hear about the passing of Mr. Alan Millea in December. Mr. Millea was a much-loved teacher at Aldwyn who joined the school as Deputy Head teacher in 1963. He was passionate about football and was highly regarded as the football coach at Aldwyn and was also heavily involved in football in Tameside and the Greater Manchester FA. Mr. Millea is fondly remembered by past staff and pupils for his countryside trips, outings and end of year plays.

After retiring in 1988, Aldwyn continued to hold a special place in Mr. Millea's heart, and he enjoyed hearing news from school, especially our successes in football.

We would like to express our condolences to Mr. Millea's family and friends at this sad time.

Dear parents,
Places are now available to join a new 12-week football course every Tuesday at Droylsden Academy, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Blackburn Rovers, Preston North End, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan..

The cost of the course is just £5.83 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £40 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

NEW TOURNAMENT FORMAT

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.
