World Book Day

On Tuesday Year 4 wrapped up warm and walked to Droylsden Library, crunching through the freshly laid snow! When each class arrived, the librarian, Lisa, talked to the children about where to find different types of books and how they could use the library. She had selected a range of books by authors she thought the children would be interested in and sparked lots of discussions about our favourite books! Then the children had the opportunity to choose a book to take home if they had brought their library card. They issued the books themselves with Lisa's help. Year 4 were, once again, great ambassadors for Aldwyn showing enthusiasm, great manners, and behaviour on our trip.

Well done Year 4!

Please can we remind parents and carers that the school car park is not for the use by parents between 8am and 4pm. During these times the car park is for the use of staff from both Hawthorns and Aldwyn, Hawthorns School Transport vehicles, and parents of children who have a Blue Badge and have been authorised to park on site by Mr. Beaty.

We also ask that you park respectfully within the local area, giving consideration towards the residents near to school and not blocking their access to or out of their properties.

Thank You for your support in this matter.

Number Day 2024

On Friday 2nd February we will be taking part in the NSPCC Number Day. Pupils and Staff are invited to take up the challenge on the day to Dress up for Digits or to dress as their TT Rockstars Avatar.

Dress for digits could be a favourite sports top or cap, or even a onesie that contains numerals or other maths related items. Or why not get more creative and design a unique t-shirt, hat or even become a human-sized calculator or dice!

We have a JustGiving page set up for the event for families who are in a position to make a donation towards the important work of the NSPCC: [NSPCC JustGiving](#)

On Thursday 18th January the year 6 dodgeball team ventured to Laurus High School for the Tameside School Games dodgeball competition.

The team played absolutely fantastically. The teamwork was incredible, and every member played a vital part. Ralphie's speed won the middle ball making his quick start unstoppable. Jaxon made some incredible catches. The whole team were fantastic. The team topped their group losing only 1 game.

We wish them the best of luck at the semi-final next week.
