Well done Year 1 - Children have successfully logged into Google Cloud and connected to Google Classroom. They are starting a journey into the world of Digital Skills, important skills they will use for the rest of their lives. Once logged in, they can collect work from Google Classroom and start their project named "Animals Of The World". This improves their typing skills and the ability to find and insert the correct pictures into a Google Slide show.

Year 4 has started to record their podcasts. Children have researched a subject of their choice, written a script and produced an "autocue" that they can read from. They used Google Gemini AI to help them do some of the research and create a resource sheet. From this, they wrote their script. We are using professional online podcast creation software to produce the podcast and add royalty-free music and sound effects.

Last Friday, Aldwyn joined in with the biggest Girls football event, Let Girls Play day! Our game changers Ava and Darcie in year 6 shared their Football journey to inspire the children and show the pathways in which the children can take to get into football outside of school. To encourage girls to play and have a go our KS2 children had an inter school competition. All the girls were invited to play and have friendly games. In school we had a knock-out competition with a prize for the winning team. The year 6 mini whistlers helped referee and coordinate the event. The girls had a great time and really enjoyed the event!

This week, Year 4 visited Droylsden Library. Lisa the librarian reminded us about all the fantastic things that we can do when we visit the library. She showed us how to access Borrowbox. Borrowbox is an eBook and eAudiobook service where you can download books, comics, magazines and newspapers to read or listen to on a home computer or mobile device. It is for children and adults and it is **FREE**. For more information visit <https://www.tameside.gov.uk/libraries>

We understand that, for a variety of reasons, children may sometimes not have their PE kit in school every time that they need it. Therefore, class teachers keep a selection of spare kits so that children are able to join in the PE lesson.

If you have any outgrown PE kits at home which are still usable, please consider donating them to school to add to our spares. We are in particular need of aged 8 – 14 tops and shorts as well as size 1 – 6 pumps and trainers. Please drop off any donations to the main school reception.

Thank You

Easter

Children in EYFS and KS1 are invited to create/decorate Easter Bonnets to be used as part of the assembly which will be held on Tuesday 26th March. Parents and Carers are invited to join us for the assembly. For EYFS children this will be at 9am, for KS1 children the assembly will be at 2.30pm. Please send any bonnets into school by Monday 25th March.

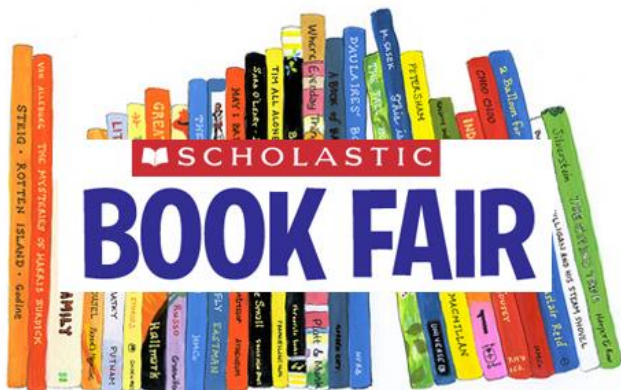

Friends of Aldwyn will be selling raffle tickets for the Easter Chocolate hamper next week. Tickets are £1 each and can be bought in class. The raffle will be drawn during the last week of term with a prize in every year group.

ALDFEST

Saturday 29th June

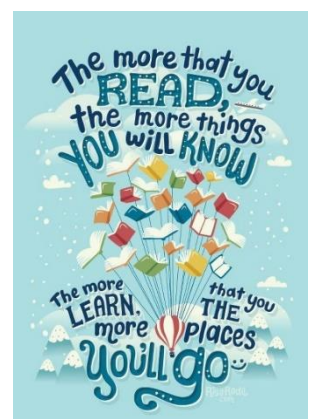

12noon – 4pm

Aldwyn will be hosting a book fair from Monday 18th March until Thursday 21st March. It will be open each lunchtime and after school from 3.20 -3.45pm on Monday and Tuesday and throughout parents evening on Wednesday. Children will be able to visit the book fair during the day with their class teacher or after school with their parent/carer, it'll be in the main foyer, so please come to the main reception.

If the children are visiting during lunchtime, all children need to bring their money in a named purse/wallet.

All sales at the book fair generate commission for school which will be used to purchase additional books for each class.
