This term in RE, Year Two have been learning about what it means to belong to a faith community. We have learned that Christians get their children baptized. This week, we went on a trip to St Mary's church, where Reverend Cath "baptized" our class "babies", Matilda-Angel and Angel-Millie! We chose parents and Godparents (who had a special part to play in the service) and when we got back to school, we celebrated by having a tea-party. The children's behaviour was fantastic walking to and from the church and most of us just about managed to avoid the heavy downpour.

Year One have been writing reports about Pets for the Year Two children. The children have written about what they eat, look like and like to do. They have included interesting vocabulary in their writing too.

Our Year Two children have been using Code.org, which is a fantastic way to introduce children to coding. The first series of lessons gently introduces the concepts of problem solving then as the lessons move on the challenges get harder and harder. Children are encouraged to break down the problem into smaller steps and test each step before moving on, something called decomposition. Breaking down a complex problem or system into smaller parts that are more manageable and easier to understand is a skill that most people use in everyday life. As children finished the course they received a coding certificate. Well done year 2.

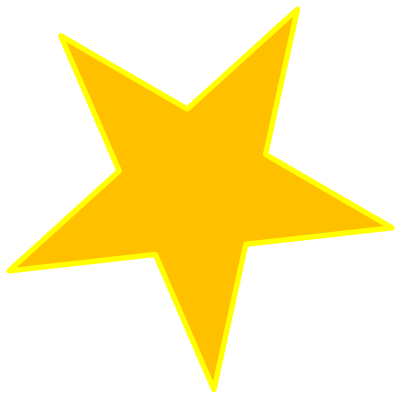

Sporting News

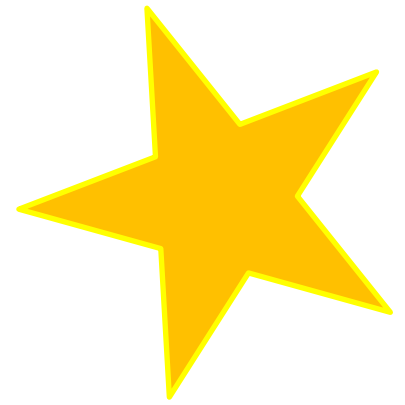

On Tuesday evening, our two basketball teams travelled to Laurus Rycroft to take part in the Tameside School Games Basketball final after both qualifying in first place in their groups in last weeks heats. Aldwyn A team won every game that they played during Tuesdays finals which secured their place as basketball champions of Tameside. The Aldwyn B team also had an amazing tournament finishing second in their group. Well done to all the children who took part; their great Passion, Self-Belief, Respect, Honesty, Determination and Teamwork shone through!

It has been a busy week in school with the Bunny Hop for Willow Wood Hospice, our Easter Bonnet parade and assembly, music performance assemblies, and our Friends of Aldwyn Easter raffle. Here's a selection of pictures highlighting the week in action!

To be our best at

We will:

- Care for people and property
- Value others at all times
- Listen, think and follow instructions
- Be helpful, kind and polite
- Enjoy and achieve in all our work

At the end of each term, we identify children who have been living the values throughout the term.
