## 6 SPECIAL ELEMENTS...

World Book Day supports children to read for pleasure by encouraging 6 behaviours:

1. Being read to regularly
2. Having books at home and school
3. Finding time to read
4. Having trusted help to find a book
5. Giving children a choice in what to read
6. Making reading FUN!

A visit to a bookshop can help children discover the joys of reading for pleasure by giving them the opportunity to choose books of their own – with expert booksellers ready to give trusted recommendations and advice. Find a bookshop near you.

We have had some amazing World Book Day dioramas brought into school this week, here are a few of them for you to see.

## Goodbye and Good Luck!

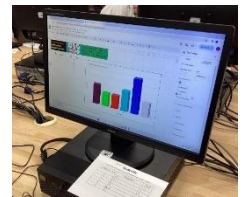

This week we have said a fond farewell to Mrs Abram who has left Aldwyn after many years of dedicated service to the children and school to take on a new role at Ashton West End Primary School.

We wish to express our thanks to Mrs Abram for the love, kindness, and dedication that she has shown to all at Aldwyn and wish her health and happiness in their future. We hope that Mrs Abram will be able to keep in touch and visit us in school.

Last week we saw that Year 3 have been collecting data and producing a tally chart. They are trying to decide if something is truly random and have been programming using Scratch to test this.

This week the children collected data from the dice program they have been writing over the last couple of weeks. They entered the data into Google Sheets and then visualised that information by creating a graph.

This makes it easier to decide if some numbers appear more often than others and if the spin is truly random.

Computer club is not just about coding and programming. We have spread our wings and started to design models that will be controlled by a computer program. Children have been working on different parts of the project with the help of Miss Sutton and Mr Goodier and are making good progress with the project. Shortly we will be ready to test a prototype and check out the electronics and coding. Watch this space for further updates.

As a school, we are aware that as children get older, they will begin to take part in fasting during Ramadan. If your child will be fasting in the period of Ramadan, we would like to work with you to make sure that your child is supported by school in the best way we can. Children who are fasting will be able to use the quiet room during dinnertimes if they choose. This will be a space where they are able to rest, pray or take part in quiet activities as they choose.

Please could you inform your child's class teacher if they will be taking part in the fast so that we are aware and we are able to support them appropriately during the day.

# Easter

Children in EYFS and KS1 are invited to create/decorate Easter Bonnets to be used as part of the assembly which will be held on Tuesday 26<sup>th</sup> March. Parents and Carers are invited to join us for the assembly. For EYFS children this will be at 9am, for KS1 children the assembly will be at 2.30pm. Please send any bonnets into school by Monday 25<sup>th</sup> March.

We will once again be supporting the work of Willow Wood Hospice as we take part in this year's Bunny Hop to raise vital funds for the Hospice.

All children throughout school will take part in the fundraiser on Monday 25<sup>th</sup> March 2024.

Children should all now have brought home a sponsorship envelope to gather sponsors from those in a position to donate.

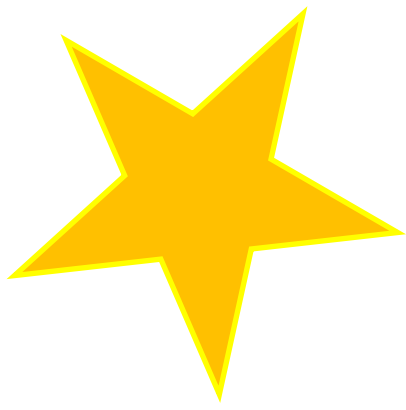

Thank You to everyone who has supported the Friends of Aldwyn Mother's Day stall this week. There were lots of gifts bought for those special people in our lives.
