Looking Ahead...

Year 6 SATS week

Begins Monday 13th May

Year 3 visit to RHS Bridgewater

Tuesday 14th May

Class Photographs

Tuesday 21st May

In Y4 our new Science topic is 'States of Matter', 4M split into three groups then had instructions of how the particles in that state behave. They demonstrated their 'performance' to the rest of the class and they had to guess whether they were a solid, liquid or a gas. We found that the particles are tightly packed in a solid, they move a little close to each other in a liquid and they can move around freely in a gas.

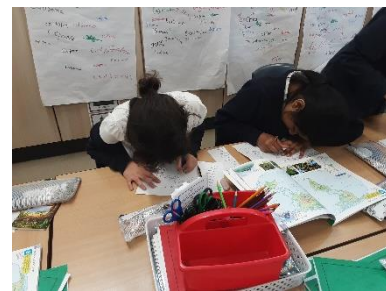

The children in Reception collected some frogspawn from the pond before the holidays and have been watching it closely as it has developed into tadpoles.

This week they were very excited to see that one of the tadpoles has become a froglet and was sitting on the rock. On Thursday they were able to release 'Fred' into the pond area to continue to grow and develop now it is a frog.

This term, Year 4 are learning about rivers. This week, we used the atlases to locate the 10 longest rivers in the world.

Did you know, the longest river in the world is the Nile, stretching approximately 6650 kilometres (4,132 miles). The river runs through northern Africa across 10 countries, starting from Uganda and ending in Egypt into the Mediterranean Sea

We are aware of cases of headlice across school. Please could you thoroughly check your child's hair tonight. If you see any signs of headlice, please treat your child's hair.

Further information which shows what to look for and how to treat headlice can be found at <https://www.nhs.uk/conditions/head-lice-and-nits/>

There has been a rise in some children attending school wearing false nails. Children should not be wearing false nails for school and we urge parents in supporting their child in having the nails removed before returning to school.

False nails make it difficult for children to fully participate in their learning. It effects the way that they hold their pencil, gather and use equipment and this is detrimental to their learning. In addition to this, false nails can lead to injuries to both the wearer and others if the nail is caught and ripped off or can cause cuts to others if they are caught by the nail.

On Friday 19th April our school were invited to take part in the Year 5 football tournament at MCFC. schools attended from all over Greater Manchester – Tameside, Stockport, Oldham, Trafford, Salford. It is a wonderful opportunity for the children to play at the Etihad Campus, using Manchester City's training facilities.

Our team won their group stage and their quarter final. They progressed to the semi-final, but unfortunately lost out to a late goal.

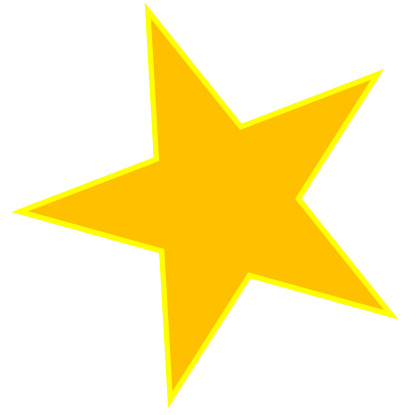

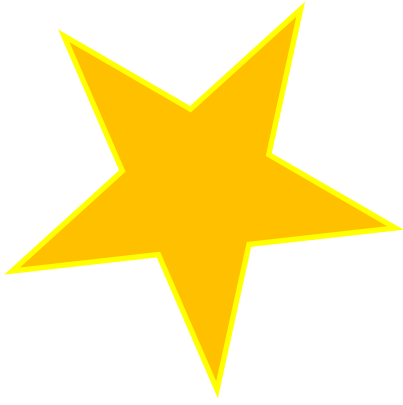

On Wednesday, Mr Beaty and Miss Ravenscroft, with the help of Beau's mum took a group of year 3 and 2 children to a football tournament at Stockport County Football club.

There were 14 teams taking part, and the children did exceptionally well to win the overall tournament and receive a winners cup! Well done to the children who took part. They were fantastic role models for our school showing excellent teamwork and sportsmanship.

On Wednesday 24th April, two Year 6 teams ventured to Denton Community College for the Bee netball Stingers competition. Both teams played absolutely brilliantly showing they were competent with the team rotation and excellent teamwork skills. One team started off with a win and then faced some tough teams which resulted in two losses. The other team won all of their games in their group and have been invited back for the Tameside Netball final at Inspire Academy (date TBC). Well done to everyone who took part and if anyone would like to play more Netball outside of school, look out for Bee netball clubs at St Thomas More.

To be our best at

We will:

- Care for people and property
- Value others at all times
- Listen, think and follow instructions
- Be helpful, kind and polite
- Enjoy and achieve in all our work

Each week teachers choose a star of the week based on the Aldwyn Values.

The winners of this week's awards are:

Laiba	Maddison	Daniel	Phoebe	Jesse	Deryn
Aurora	Harry	Sienna	Jude	Faith	Eleanor
Logan	Leo	Jaxson	Ava	Helios	Thomas
Toby	Jaxon	Ali	Mason	Harriet	Mingchak
Muhammad Ali	Sehar	Barry	Grace	Harrison	Harley

The Birthday Message

We wish you many happy returns of the day.
We hope you will be healthy and strong all the way
Strong to do right, slow to do wrong,
And thoughtful of others all day long.

This week we celebrate the birthdays of:

Kian

Harry

Liam

Jamie

**Are you looking for
