Y6 Leavers Assembly

It's safe to say Y6 had a great time at Newby Wiske last week, check out their comments and pictures.

PGL was amazing! At PGL we did lots of activities and all of the staff were so nice. The best part of PGL was its food and its rooms, as the rooms were massive and the food was so flavourful! There was a wide range of activities that included Archery Tag, Giant Swing, Problem Solving, Raft Building, Zipwire and many more. I really recommend going to PGL and it will be the best trip you will ever go to !!!

At PGL we did loads of activities. It was great! A two night trip turned into a dream! The activities were great and so much fun! If you enjoy unforgettable activities I would definitely go there again! My favourite part was the laser tag you got to hide behind trees and bases. I would 100 percent recommend going!

PGL was a very exciting time and I enjoyed it very much. The activities were brilliant and I would rate every one of them 11/10. My favourite was easily Laser Tag because it was so action packed and competitive. The bedrooms are fantastic with LED Lights and the food is fabulous! Every time of the day: Breakfast, Dinner, Tea everything was great! A time I'll never forget.

At PGL I had an amazing time. It was an unforgettable experience! We did lots of amazing activities like a giant swing and cool activities like that! My favourite was definitely the Zipline as it felt like I was flying. I would definitely love to go to PGL again!

PGL ☆

PGL was fantastic! As well as having great food and bedrooms, the activities such as: Archery Tag, Laser Tag and Zipwire were all spectacular! PGL has been one of the best trips ever! If you told me I could go again, without a doubt I would say yes.

PGL was really fun! I had a great time and we did archery tag, which was really good and also raft building and others too! PGL was easily my favourite school trip in primary. Also the food was really delicious! There was this breaded chicken that tasted FAB!! I was in a room with most of my friends and the room looked cool and chill.

My favourite activity at PGL has to be the giant swing because it was really fun and the instructor told us to pull the white string for a "safety check" and we went flying through the air. The food was so nice, I loved the hash browns and the spaghetti Bolognese. Drinks wise, the best was the raspberry and lime water or raspberry lemon. The staff are so nice if I could go again I would love to.

PGL was very interesting and fun. I had lots of fun and there was lots to do. My favourite thing to do was archery tag. It was really fun and competitive. The food was really nice, the breakfast was my favourite with the hash browns and the mushrooms. The rooms were spectacular. They had LEDs on your beds and it was so cool. My favourite was the sweet chilli sauce with potato tots yum yum.

PGL was one of the funnest places I have ever been. It had loads of activities that I really enjoyed My favourite activity was the zipline or the giant swing.

I would give it 5 stars out of 5.

Congratulations to class 3F who achieved the highest attendance in school this week – 98.2%

Aldwyn target attendance 97%

Attendance for this week = 94%

Celebrating good attendance

As our school attendance is currently well below the school attendance target, we will be holding a Summer Attendance challenge.

Every child in school who achieves 99% + between Monday 24th June and 19th will have their names added to a raffle for a gift voucher. There will be 1 voucher for each area of the school: EYFS, KS1, Lower KS2, Upper KS2

Meet The Teacher Evening

On Wednesday 3rd July we will be hosting a Meet the Teacher evening for parents of children going into years 1 -6 in September to give you the opportunity to meet the staff in the year group that your child will be in next year. Teachers will share information with you about the curriculum coverage and the expectations of the year group plus any special events or activities which may take place next year. It will also give you the opportunity to ask any questions that you may have about the year ahead. We will run the same meeting twice, the first starting at 6pm and the second beginning at 6.30pm which will give parents with children in different year groups more opportunity to attend the meeting for their children.

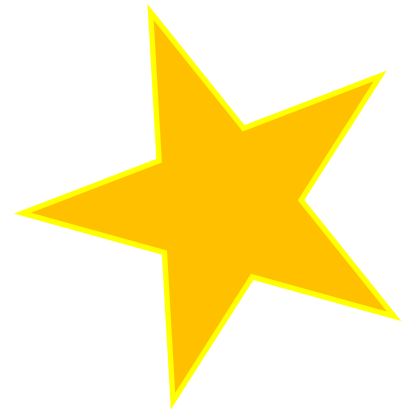

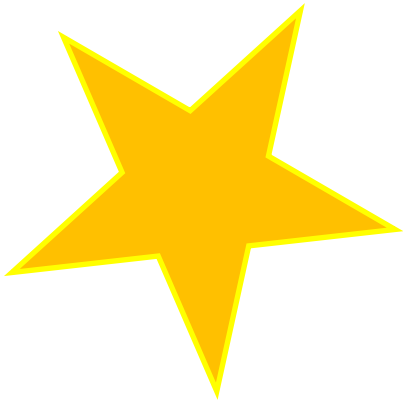

A very good effort in the finals of the Tameside schools' rounder's competition left us in 4th place overall - brilliant for the whole of Tameside. Our first game was against eventual winners, Waterloo, who won by 3 rounders. A lot closer in the 2nd and 3rd games with a draw and a very close lose. A great attitude from the players with how they organised themselves and worked as a team - making good on-field decisions and being fair with substitutions. Well done, Aldwyn.

Year 3 were very lucky to be gifted some construction toys from Hawthorns. They put it to good use last week. This group of children worked really well together to follow the instructions to make a mansion.

What fantastic teamwork!

To be our best at

We will:

- Care for people and property
- Value others at all times
- Listen, think and follow instructions
- Be helpful, kind and polite
- Enjoy and achieve in all our work

Each week teachers choose a star of the week based on the Aldwyn Values.
