Many of the Y6 children have enjoyed taking part in Bikeability this week with Active Tameside. The children have learned how to ride safely around courses within the playground and then if confident they have been able to ride on the roads around our local area. In addition to this, the children have also learned some basic bike maintenance to ensure that their bikes are safe and ready to use.

Bikeability is the government's national cycle training programme. It helps you learn practical skills and understanding of how to cycle on today's roads. Bikeability gives everyone the confidence to cycle and enjoy this skill for life.

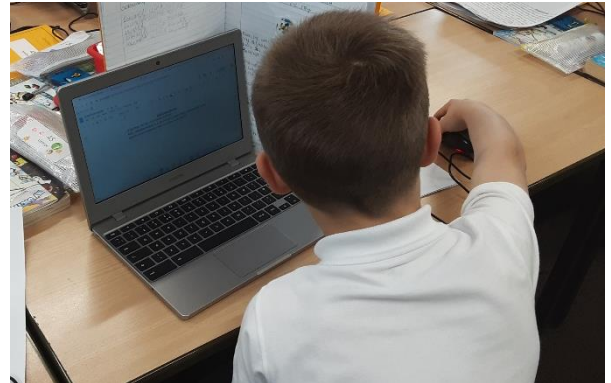

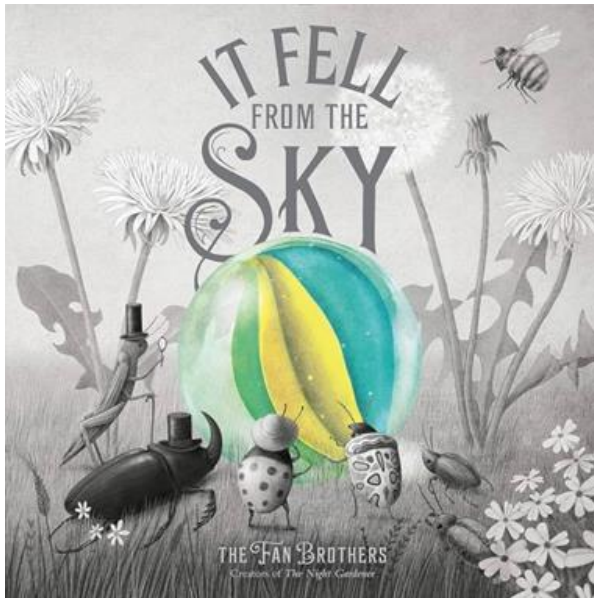

Attendance for this week = 95.7%

Congratulations to class 4S who have had 100% attendance this week.

Well Done!
